THE FUTURE IS HERE...

An Eco Innovative Laundry Solution

NATURAL | NON-TOXIC | BIO DEGRADABLE

NATUREL

COMMERCIAL LAUNDRY SOLUTIONS

BENEFITS

- Reduces laundry chemical costs
- Reduces utility cost
- Reduces energy cost
- Reduces textile replacement costs
- Reduces labour & production costs
- Last but not the least by using non toxic material we contribute to preserve our earth.

**DO
YOU
KNOW?**

According to studies conducted, 2% of a garment's weight comes from laundry chemical detergent residue!

**REDUCES WATER
USAGE UPTO 40%**

GREEN WASHING IS IN!

**1. Use Fewer
Products**

Naturel eliminates the need of using harsh and repetitive chemicals by combining the power of multiple products.

**2. Reduce
Production
time & cost**

Fewer chemicals equal shorter wash time. By eliminating unnecessary cycles, Naturel can reduce wash times by up to 50%, directly saves time, energy, water consumption and increases capacity.

**3. Lower
Labour Costs**

Labour cost is a major cost contributor to total operating cost in laundry industry. Reduced wash cycles will reduce your labour costs & significantly boost your margin.

**4. LOWER
ENERGY
COST**

Naturel is formulated to deliver premium clean and white results at a low wash temperatures. Wash at lower temperature will save energy cost.

AVERAGE OPERATIONAL SAVINGS OF UPTO 50%

Textiles last longer:

Naturel significantly reduces clothes wear and tear. After 50 washings of cotton and cotton polyester blend cloth with Naturel, it shows no more wear than if washed in water alone.

Lower Rejection:

Naturel with power formulation formula helps each load with negligible rejection.

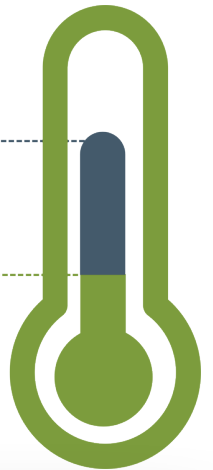

How do your textiles smell?

Our advanced enzymes and biodegradable surfactant eliminates the source of odors and make it smell fresh and clean. It is free of dyes and neutralizes toughest odors.

Other Cleans
at 80° C

Naturel Cleans at
less than 50° C

01

Naturel cleans without caustic chemicals or abrasive additives.

02

Naturel gently removes accumulated residuals and additives from linen fibers, extending the life of delicate textiles, leaving whites whiter & colors brighter and softness.

03

Naturel is advance encapsulated fragrance system, where the fragrance actually released when a slight abrasive action is applied. Clothes will smell fresh for longer time.

04

Naturel uses lower water temperatures to clean.

OUR LAUNDRY SOLUTION

Naturel Laundry Liquid (L1)

Naturel laundry liquid is an equally balanced enzyme and biodegradable surfactant. Multiple enzymes with super detergent combine for economical and superior quality. Substantial savings in energy and water costs. Extends fabric life. Eliminates unpleasant odour. It is a blend of plant based surfactant, assures soil removal, whiteness and brightness. It is also available in powder form.

Naturel Conc. Laundry Liquid (L2)

Naturel conc is a concentrated liquid laundry detergent tough on stains, even in cold water. This means you use less energy for every load. Made with plant and mineral based ingredients, this biodegradable formula is soft on the skin and the environment. The 100% natural ingredients leave clothes fresh and clean.

OUR LAUNDRY SOLUTION

Naturel Oxy Bleach (L3)

Naturel Oxy has been developed as a rich bleaching agent. It is stable, removes stains and provides excellent whiteness. It can be used successfully on any washable material and is particularly useful for removing stains without damaging the fabric or colour. The improvement in brightness of colours on washed cloth is noticeable.

Naturel Fabric Softner (L4)

Naturel Liquid Fabric Softener works to soften fabrics and help reduce static while keeping clothes smelling fresh and clean. Made with plant best and mineral ingredients, our biodegradable formula cares as much for your clothes as it does for the planet.

OUR LAUNDRY SOLUTION

Naturel Stain Remover (L5)

Naturel Stain Remover helps to remove stains from grass, mud, oil, grease and dirt. Made from renewable plant-based & mineral ingredients, our biodegradable formula is tough on stains but gentle on the environment. Simply work the liquid into the fabric with the brush provided in the spray bottle and wash as usual.

Naturel Hypo Bleach (L6)

Naturel Hypo Bleach is an effective fabric whitener for clothes. Tough stains renders your white fabrics unusable. It removes the toughest stains from white fabrics and makes it stain free and sparkling.

GREEN LAUNDRY SOLUTIONS

EXPERIENCE A LAUNDRY FACILITY FREE OF HARSH AND TOXIC CHEMICALS.

User will be safer, happier and more efficient using Naturel.

with following features

- * Non-toxic / Eco friendly / Bio-degradable
